Module 1: Employing Machine Learning Operations

Module readings

———

Here are the assembled readings provided in this module.

- Lesson 1: Introduction to MLOps-Why and when to employ MLOps
    - [Machine Learning: The High Interest Credit Card of Technical Debt](#)

- Lesson 2: Machine learning (ML) practitioners' pain points
    - [Data preprocessing for ML documentation](#)

- Lesson 3: The concept of devOps in ML
    - [Data preprocessing for ML documentation](#)
    - [Documentation - Characteristics of MLOPs](#)
    - [Documentation - Characteristics of MLOps level 2](#)
